

PERSONAL DATA PROTECTION POLICY

Lian Eng Pte Ltd respects the privacy of individual and recognized the importance of the personal data entrusted to us and believe that it is our responsibility to properly manage, protect, process, and disclose personal data. We are also committed to adhering to the provisions and principles of the Singapore Personal Data Protection Act 2012 and other applicable personal data protection laws applicable to us in the various countries in which we operate ("Applicable Law").

By interacting with us or submitting information to us, you agree and consent to Lian Eng Pte Ltd, as well as their respective representatives and/or agents, collecting, using, disclosing, and sharing amongst themselves your personal data, and disclosing such personal data to the relevant third parties in the manner set forth in this Data Protection Policy.

In this Policy, the item 'personal data' shall have the same meaning ascribed to it in the Singapore Data Protection Act 2012.

Summary

We will collect, use, or disclose personal data for reasonable business purposes only if there is consent or deemed consent from the individual and information on such purpose has been notified. We may also collect, use, or disclose personal data if it is required or authorized under Applicable Law.

Collection of Personal Data

We collect personal data from clients, customers, business contacts, employees, contractors, and other individuals. Such personal data may be provided to us by individuals, through face-to-face meetings, letters, email messages, telephone conversations, through our website, or provided by third parties. If you contact us, we may keep a record of that contact.

We collect these personal data when it is necessary for business purposes or to meet the purposes for which you have submitted the information.

We will only collect, hold, process, use, communicate and/or disclose such personal data, in accordance with this Policy and Applicable Law. If you supply us with personal data of a third party (such as an employee or a client of yours), you undertake that you have obtained all necessary consents from such third party to the collection, processing, use and disclosure by us of their personal data. Because we are collecting the third party's data from you, you undertake to make the third party aware of all matters listed in this Policy, preferably by distributing a copy of this Policy to them or by referring them to our website.

Use of Personal Data

We use personal data for the following purposes:

1. Vendors / Service Providers / Business Partners
 - (a) to facilitate our business relationship with you.
 - (b) for the purpose of the supply of services and support to Lian Eng;
 - (c) to keep you updated on changes to Lian Eng's policies.

- (f) to evaluate potential suppliers, vendors, or business partners.
- (g) for security clearance/entry access into Lian Eng's premises; and
- (h) for the purpose that is ancillary to or in furtherance of the above purposes.

Disclosure of Personal Data to Third Parties

We do not disclose personal data to third parties except when required by law when we have your consent or deemed consent, or in cases where we have engaged the third party such as data intermediaries or subcontractors specifically to assist with Lian Eng's activities.

Access to and Correction of Personal Data

Upon request, we will provide you with access to your personal data or other appropriate information on your personal data in accordance with the requirement of the PDPA.

Upon request, we will correct an error or omission in the individual's personal data that is in our possession or control in accordance with the requirement of the PDPA.

Withdrawal of Consent

Upon reasonable notice given by an individual on his withdrawal of any consent given or deemed to have been given in respect of our collection, use, or disclosure of his personal data, we will inform the individual of the likely consequences of withdrawing his consent. We will cease (and advise any of our intermediaries and agents to cease) collecting, using, or disclosing the personal data unless it is required or authorized under applicable law.

Accuracy of Personal Data

We will make a reasonable effort to ensure that personal data collected by us or on our behalf is accurate and complete.

Security and Protection of Personal Data

We have implemented technological and operational security measures to protect the personal data in our possession or under our control and to prevent unauthorized access, collection, use, disclosure, copying, modification, disposal, or similar risks. Only authorized Lian Eng personnel are provided access to personally identifiable information and these personnel are required to ensure confidentiality of this information.

Retention of Personal Data

We will cease to retain personal data, as soon as it is reasonable to assume that the purpose for collection of such personal data is no longer being served by such retention, and such retention is no longer necessary for legal or business purposes.

Transfer of Personal Data

We will ensure that any transfers of personal data to a territory outside of the country in which it is collected will be in accordance with Applicable Law to ensure a standard of protection to personal data so transferred that is comparable to the protection under the PDPA.

Modifications

We reserve the right to modify or amend this Policy at any time. Subject to your rights at law, you agree to be bound by the prevailing terms of the Policy as updated from time to time in our website.

Data Protection Officer

If you believe that the information we hold about you is incorrect or out of date, or if you have concerns or further queries about how we are handling your personal data, or any problem or complaint about such matters, please contact our Data Protection Officer at dpo@lianeng.com.

Privacy of our Web Site

This Policy also applies to any personal data we collect via our websites. Cookies may be used on some pages of our website. "Cookies" are small text placed on your hard drive that assists us in providing a more customized website experience. Cookies are now used as a standard by many websites to improve users' navigation experience. If you are concerned about cookies, most browsers permit individuals to decline cookies. In most cases, a visitor may refuse a cookie and still fully navigate our websites, however other functionality in the site may be impaired. After termination of the visit to our site, you can always delete the cookie from your system if you wish.

As we want your website experience to be as informative and resourceful as possible, we may provide several links to third-party websites. We assume no responsibility for the information practices on these third-party websites that you can access through ours. When a visitor to our website is linked to these third-party websites, our privacy practices no longer apply. We encourage you to review each website's privacy policy before disclosing any data.
